ISSUE: 55 MARCH 11TH 2011

Congratulations to Ms Philpott who gave birth to a baby girl on Wednesday evening.

'Baby' came much earlier than expected – months earlier…but mum, dad and baby are doing fine. We shall keep you informed.

INSET DAYS

There are two extra days the government has issued to all primary schools in England and Wales this year. The dates have only recently been formalised, therefore we are now in a position to inform you. The reason for the two extra days out of school is:

1. To plan and prepare for the New Curriculum.
2. To celebrate the Royal wedding.

The following INSET days are still to be taken:

May 27th 2011(Curriculum planning INSET)

July 8th 2011 (Normal INSET)

July 22nd 2011 –Royal Wedding (All city schools closed)

SCIENCE AND TECHNOLOGY COMPETITION

The children have had the opportunity to practise this week. The Final has been put forward to Thursday March 17th to allow more children to enter if they wish.

Please encourage your child to take part in the competition. If there are any queries children can ask their teacher or Mrs. Vladev.

PLEASE DRIVE SLOWLY

Please can all families be very careful when driving up and down Stanstead Avenue. Now that the weather is getting drier, parents and children are travelling to school by bicycle, and the Walking Bus travels in the same direction. It can be quite frightening to do so when some cars come rushing around the corners!!!

EASTER CELEBRATION

Please come along and celebrate Easter with us. Our Easter Celebration at the Church of Rise Park is at 10.00am on April 15th 2011

EASTER EGG COMPETITION

Please encourage your child to enter the Easter Egg decoration competition. This will take place in school on Wednesday April 13th 2011.All entries to go straight to the hall.

Parent's Evening

Thank you to all parents that have, or will be, attending Parent Meetings this week and next. The meetings are a valuable source of information sharing and communication for us all.

We are expecting a 100% turnout and therefore are prepared to be very flexible with appointment times.

Patricia Vladev, Head Teacher
