SCIENCE and TECHNOLOGY Competition

A big 'Well Done' to all our entrants for the Science and Technology Competition. It was a great effort by all the children that got involved. Thank you to all parents who supported their child in their entry.

The next competition is the Spoken English…so please be thinking about your speech.

POLITE REMINDER

Please do not bring dogs at the beginning or the end of the day onto the **school grounds. The field is also the school grounds.**

Two obvious reasons:

Mr. Ross spends quite a lot of his time clearing 'Dog Poo' from the field and path.

Small children that do not have a dog at home can become quite frightened by a dog sniffing around –even when the dog is harmless…the young children are not aware of this. As a community, let us support everyone's needs at school and keep dogs off the school site please.

GRADUATION DATES

Foundation, Year 2 and Year 6 please note the date of the Graduation and the times.

CRICKET CRICKET CRICKET

I think I can say that so far all the Year 3 and Year 4 children have thoroughly enjoyed their cricket coaching sessions. Years 5 and 6 are at present enjoying theirs too.

We were very fortunate to be one of 6 schools in the **whole of Nottinghamshire** to be invited to Trent Bridge for the cricket International. The children thoroughly enjoyed themselves. Look at the web site for pictures.

INFORMATION REGARDING HOLIDAYS IN SCHOOL TIME

There will be a letter soon from our area Attendance Officer, Carli Feasey, who works with all the local primary and secondary schools regarding attendance.

As it is an important letter with changes to the regulations, the school shall text parents when the letter is being sent out.

TOILET FACILITIES AT FRONT OF SCHOOL

I realise this only affects a few parents, but unfortunately we have had to withdraw the use of staff toilets for public use with **immediate effect**. Having had one of our yearly Health and Safety checks, it was deemed a risk to the children having members of the public unmonitored around school. There was also a hygiene risk regarding the ratio of toilets available for staff use. I apologies for any future inconvenience but your child's safety is paramount.
