

Year 2

Autumn 1 Homework

This homework is for the whole half term (the next 7 weeks). You may choose which homework pieces that you want to do and you can do as many as you want to do. For every piece of homework you do you will be awarded **5 class Dojos!** Please bring in any completed homework on a **Friday** ready to share with the class.

Remember to still complete: Reading at home every night.

| | | | |
|-----------------|--|--|--|
| Writing | Can you write a space acrostic poem? Can you use expanded noun phrases within the poem? | Can you write a report all about space? Using your own knowledge/research to write lots of interesting things about space to report back to the class. | Can you write a short story all about space? Remember to use lots of exciting adjectives to make your story interesting. |
| Research | Research into the first moon landing. Who were the first people on the moon? Have any animals ever visited the moon? | Research into the different planets in the solar system. What order do they go in? Can you discover any interesting facts about them? | Can you find out the different compass directions we would use to help somebody flying into space? What is a good way to remember these compass directions? |
| Creative | Can you design and create your own rocket using different materials? Think of all the things the rocket would need! | Can you create your own space collage using different materials? You could use newspaper, magazines, and different textures to create your collage. | Can you design and create your own imaginary alien creature? You can draw and label your design or make it out of different materials! |

Thank you for your support. I can't wait to see your homework!
