

Year group: 4

Time Allocation: 5 weeks

Date: Summer 2 2019

Teacher: Miss Miller/ Mrs Hayes

**Stanstead Nursery
and Primary School**

What makes Not- tingham so great?

Literacy/Communication:

Our class text for this half term will be Perry Angel's Suitcase. We look forward to all the new things we will discover in our reading. We will be writing further narratives using inverted commas, based on experience of immigration to Nottingham. What impressions do immigrants get of our great city? We will also be looking at letter writing in relation to local issues identified during their field studies. Exploring formal language, paragraphing and hoping for a response.

Geography: In Geography we will be exploring our local area, we will be looking at human and physical characteristics, comparing our city to other UK cities and looking at how our city has changed over the years. We will also be taking a nature walk around our local area.

Art and design: We will be taking our sketch books with us on our trip to our local area and will be sketching some buildings and some natural scenery.

Numeracy: In maths we will be looking at statistics, properties of shapes and position and direction. We will continue to complete our daily arithmetic questions and practise our multiplication and division facts.

WHY?

To explore and appreciate our locality and community. To be able to discuss issues critically and undertake research and field studies

PSHE: In PSHE we will be looking at changes and how exciting these changes can be. We will also be discussing our transition to Year 5!

Science: This half term we will be exploring sound. We will be learning about the importance of vibrations, how we hear, and the role of the inner ear. We will be conducting experiments about pitch, and volume, learning about sound insulation.

Our performance:
We will be finishing off our time in year 4 with our musical climax. Performing to the parents, showing off our trombone and trumpet skills

wow

RE: In RE will continue to study Hinduism, we will learn about what signs and symbols are important to the Hindu faith.

Music: We are continuing to receive our specialist music teaching. We will be learning further notes on the trumpet and trombone. The skills developed in pitch, culmination a performance

Computing:

When writing out letters of complaint, we will be exploring some of the advance features of word processing.

PE: In PE will be looking at different types of Athletics and prepare ourselves for this years sports day!
