

**Year group: 5**

**Time Allocation: 8 weeks**

**Date: Autumn 1 2018**

**Teacher: Mrs Nicolls**

**Stanstead Nursery  
and Primary School**

**Theme Title**

# Spain

## WOW

The class will use their skills to learn about Spanish food and create a dish. The theme will end by producing a class travel brochure to be used as a resource within school.

### **Literacy/Communication:**

Our English will 'run' through our theme and the children will be developing their grammar, punctuation and spelling through themed writing on Spain whilst writing narratives, letters, fact-files and explanation texts. The class will develop their reading skills through our class book and the use of a reading journal to develop comprehension skills.

### **Numeracy:**

In Maths, we will be focusing on our knowledge of place value, addition and subtraction using the column method, and using and interpreting graphs and tables. We will be applying the skills to problems each day and we will be developing our reasoning skills in writing as well as orally.

### **Science: Autumn 2**

### **Computing:**

We will be using ICT to research information and to plan work. We will create an art page on a chosen artist.

### **MFL:**

We will be extending our Spanish vocabulary.

**Geography:** We will be using maps to locate the UK and Spain as well as labelling countries in Europe. We will also be exploring human and physical aspects to Spain, identifying cities, mountains, coastal regions and surrounding seas.

**Art and design:** In art, we will be creating digital art by exploring wildlife in our area and taking pictures. We will be designing and making bridges by creating an initial plan in groups, creating the design and evaluating its effectiveness.

**PSHE:** We will be exploring healthy relationships, expressing emotions and exploring brief aspects of positive mental health.

**RE:** As a class, we will be thinking about pilgrimages with a key focus on the Muslim Hajj and Christian pilgrimage.

**Music:** We will listen to songs which have a Spanish overtone, identify instruments used in Spain and have a go at writing lyrics.

**PE:** Every Tuesday, we will be ice skating in Nottingham. Our weekly PE lesson on Thursday, will be provided by Major Oaks, and will be focused on team skills.
