## It's been launched Science competition 2019!

For this year's science competition, Professor Know-It-All is challenging you to create something that will travel through the air for the longest period of time.

More details are on their way home. PLEASE support your child by helping them at home to enter the competition.

July 23<sup>rd</sup> 2019

July 24<sup>th</sup> 2019

### Staffing update.

We are sad to say Mrs Wolverson has had to leave us this term. I know she has only been with us a short time, but she fitted into the team well and was a great asset to the school. Unfortunately, a very close member of her family has taken ill, and she has to be with them. Her departure couldn't be avoided. We will keep in touch with her.

### Miss Aliffe

We have been very, very lucky to take on Miss Ayliffe, who has relocated to this area from an outstanding school, where she was Year 5/6 teacher and deputy head – so Miss Ayliffe has lots of experience to offer Stanstead. She will be working in Year 6 to begin with. Please give her a warm welcome.

---

You will also note that Mrs Terzza has now returned from her teaching placement in another school. We are delighted to see her return to us.

### TRIM TRAIL NEWS

The bottom of some of the posts have rotted in the bad weather. It is under guarantee and we are awaiting the company to come and replace some of the posts.

PLEASE DO NOT LET YOUR CHILD PLAY ON IT BEFORE SCHOOL OR AFTER. At the moment it is not very safe.

Thank you for your support with this.

---

### ON LINE SAFETY

I have had a number of incidents in classes where by children are going on line and falling out with each other OR going on line and getting scared by things they are seeing.

PLEASE read our On line safety guidelines on the school web site.

A big Thank You to all the parents that managed to attend out Phonic Party sessions. We hope you enjoyed them and were able to use some or all of the ideas at home with your child.

Thank you for your continued support.
