

Year group: 3

Time Allocation: 12 weeks

Date: Spring 2 / Summer 1 2019

Teacher: Miss Uppal

**Stanstead Nursery
and Primary School**

**Theme Title
Sea and Oceans**

What can you find in the deep sea?

WHY?

To explore our humans are affecting the earth's natural resources.

WOW

The class will be designing their own sea creature out of paper plates.

Literacy/Communication:

Our English will 'run' through our theme and the children will be developing their grammar, punctuation and spelling through themed writing and our focus text 'Floatsam' We will be writing our own poems about sea creatures.

Numeracy:

In Maths, we will be focusing on statistics and in particular tally charts, pictograms, bar charts. We will be applying this knowledge to problems. We will also be developing our reasoning skills in writing as well as orally.

Science: As Scientists we will be focusing on lights. We will be learning about oceans and seas.

Computing:

We will be using the IPADS to research about global warming.

Geography: As Geographers, we will be learning about the detrimental affect plastic pollution is having on our environment. We will be looking out how recycling more can help our planet.

Art and design: In art we will be designing fish canvas inspired by the author 'Jason Spearman'.

PSHE: We will be exploring healthy eating.

RE: As a class we will be looking at Christianity.

Music: We will reviewing the different sounds of the oceans.

PE: We will be working with Major Oaks on a Monday and Friday who will be developing the children's artery skills.
