

Year 1

Summer 1 Homework

Which homework will you choose to do this half term? Can you do at least 1 from each section?

Remember for every piece of homework you do you will be **awarded 5 class Dojos!** Please bring in any completed homework on a **Friday** ready to share with the class.

Remember to still complete: Reading at home every night and phonics practise.

Writing	Write a setting description of a secret garden. Remember to include lots of adjectives to describe the magical plants and flowers around you.	Re-write part of Jack and the Beanstalk as though you are the giant. How does he feel to have Jack coming and taking all of his things?	Can you write a shape poem about flowers? Remember to be creative and write your poem in the shape of a flower.
Research	Can you research into more unusual plants like a Cactus or Venus Fly Trap? What do they need to survive? How are they different from the plants you see every day?	What plants do you see on the way to and from school? What do they look like? How many have you seen?	What rubbings can you get from different trees? What is the same about them? What is different about them? What trees did they come from? You could compare some of their leaves too.
Creative	Can you make a song or poem about growing plants? Remember to include the different parts of the plants and explain what they need to grow strong and healthy.	Can you make your own flower? What materials will you use? Can you make an accurate model of a plant that includes all of the features (flower, stem, leaf, roots)?	Create your own garden and label the plants and flowers you would put inside. It could be a 3D model to display in our classroom (shoe box size).

Thank you for your support. I can't wait to see your homework and display it on our homework wall!
