

## YEAR 3 Learning Challenge Homework - Summer 1

Learning challenges Topic: What can you find in the deep sea? Here are our homework ideas, please choose one piece of homework from each box. Each piece of homework is worth 5 DOJOS.

Pollution	Oceans and Sea	English	Maths
Research about how to save water. Take a look at the Severn Trent website.	Design an underwater picture using paints.	Write a story about a divers exploration of the sea.	Can use measure the perimeter of some objects at home and record them in a table.
Why is the ocean blue? Can you find out and write an explanation?	Design a sea creature using recyclable materials.	Research how to scuba dive and write a set of instructions for a new diver.	Use times table rock stars to learn your times tables.
What can you do to reduce plastic pollution? Design a poster.	Visit a zoo, sea life centre, bird sanctuary or use the internet or library to find out more about animals and their food chains.	Use the web with an adult to find out about famous undersea explores such as Sylvia Earle and James Cameron.  Record your information to share with the class.	Maths homework will continue to be sent home on a Friday.
