

Year group: 3

Time Allocation: 12 weeks

Date: Spring 2 / Summer 1 2019

Teacher: Miss Uppal

## Stanstead Nursery and Primary School

### Theme Title Sea and Oceans

What can you find in the  
deep sea?

#### WHY?

To explore our humans  
are affecting the earth's  
natural resources.

#### WOW

The class will  
be designing  
their own sea  
creature out of  
paper plates.

#### Literacy/Communication:

Our English will 'run' through our theme and the children will be developing their grammar, punctuation and spelling through themed writing and our focus text 'Floatsam'. We will be writing descriptions and looking at explanatory texts.

#### Numeracy:

In Maths, we will be focusing on measurement and in particular conversions. We will be applying this knowledge to problems. We will also be developing our reasoning skills in writing as well as orally. We will move our learning onto adding and subtracting fractions.

**Science:** As Scientists we will be focusing on forces and looking at what materials are magnetic.

#### Computing:

We will be using the IPADS to research about global warming.

**Geography:** As Geographers, we will continue to be learning about the detrimental affect plastic pollution is having on our environment. We will be looking out how recycling more can help our planet and the uses of water.

**Art and design:** In art we will be designing fish canvas inspired by the author 'Jason Spearman'.

**PSHE:** We will be exploring healthy eating and relationships.

**RE:** As a class we will be looking at Christianity.

**Music:** We will reviewing the different sounds of the oceans.

#### PE:

We will be focusing on rounders and improving our throwing, catching and batting skills.
