

Year 3

Spring 2 Homework

Remember for every piece of homework you do you will be awarded
5 class Dojos!

Your homework will be based around:

- Our theme— What do rocks tell us about how the Earth was formed?

Writing	Write a story as if you are a fossil— explain how you got to where you are.	Create a fact file about fossils.	List all the things you would like to achieve if you could live forever.
Research	Research some interesting facts about a type of rock— present it anyway you like.	Choose an extinct animal and find out everything you can about it to share with the class.	Find as many 'recipes' for rocks as you can— could you create your own one?
Creative	Use any art materials to create a picture of a fossil.	Draw the fossilisation process step by step.	Design your own front cover for the book 'How to Live Forever.'
