

Year 5

Spring 2 Homework

Remember for every piece of homework you do you will be awarded

5 class Dojo's!

Your homework will be based around:

Our theme on **Properties and changes of materials.**

Writing	Carry out and write up an investigation that involves separating different materials.	Create a fact file about the properties of solids, liquids and gases.	Create a poster to explain how we can keep ourselves safe in school.
Research	Carry out some research about how different faiths pray and worship.	Listen to some different types of music compare and evaluate the music. Try to use some subject specific vocabulary (tone, rhythm, tempo) when you describe the different pieces of	Find out some information about Spain. What is eaten, how does school differ from the U.K. etc.?
Creative	Do some baking or cooking and record the different changes of state that occur.	Imagine that you are an explorer who has made an amazing discovery of either a new plant or animal that lives in the rainforest—create it!	Draw a diagram to the different changes of state that occur within the Water Cycle.
On-line Home learning	Complete any Purple Mash 2dos that have been set. Lexia Spelling Shed Times Tables Rockstars
