3. Intent, implementation, impact and sustainability

Focus and intended improvement	2025–2026 provision	Impact evidence required / sustainability
Regular physical activity and inclusive participation	Premier Sports lunchtime and after-school provision; Playmaker Award	164 pupils benefited from lunchtime activity and 56 from after-school clubs. >Continue accessible clubs and monitor participation across pupil groups.
Broader experiences and the profile of sport	Sports Week; PGL	All 164 pupils tried different sports during Sports Week; 30 attended PGL. School evidence indicates children joined clubs following Sports Week.
Competitive and wider participation	Sports trips	56 pupils attended sports trips. >Continue to provide and record inclusive opportunities to participate in external sporting activities.
Leadership and capability	Playmaker Award	24 pupils trained as sports leaders through Playmaker. >Sustain the approach through pupil-led activities, supervision and training new leaders.
Quality of provision and staff development	External provider involvement	External provision supported delivery of lunchtime and after-school opportunities.

4. Year 6 swimming and water safety

Year 6 cohort: 30 pupils.

At the start of Year 6, 8 pupils (26.7%) could swim 25 metres; by the end of the year, 23 pupils (76.7%) could swim 25 metres, an increase of 15 pupils (50 percentage points).

National curriculum measure	End-of-Year-6 result
Swim competently, confidently and proficiently at least 25 metres	23 / 30 (76.7%)
Use a range of strokes effectively	21 / 30 (70.0%)
Perform safe self-rescue in different water-based situations	21 / 30 (70.0%)

The three separate end-of-Year-6 national curriculum swimming outcomes are recorded above.

5. Overall impact and future sustainability

For 2026–2027:

- Maintain accessible lunchtime and after-school opportunities
- Use the sports leaders to support active play and train successors
- Build on Sports Week by monitoring subsequent club enrolment
- Retain varied sporting trips and outdoor experiences where feasible
