

FOUNDATION GET OUTDOORS IN WELLIE WEDNESDAY!!

At Stanstead we believe that the outdoor classroom is just as important as the indoor. In Foundation, the Nursery and Reception classes visit the outdoor areas every Wednesday in our wellies and waterproofs. We incorporate maths and literacy into our learning in the outdoors, but also enjoy the messier activities such as den building and mud pie making. We collect and observe natural materials and use them in our arty pieces.

Autumn dreamcatchers - October 2018

Making bird feeders - September 2018

Making mud pies - September 2018

Looking for acorns - September 2018
